Rohtak, India, 9034034424, pulkitdua77@gmail.com

PROFILE

A highly motivated BCA graduate with a strong passion for technology to build a successful career in computer applications and eager to apply my skills to the growth of a dynamic organization.

EDUCATION

Mar 2019 — Mar 2020	Higher Education, S.D.M.Convent School	Rohtak
Oct 2020 — Jun 2023	Bachelor in Computer Application, Maharishi Dayanand University	Rohtak

---

INTERNSHIPS

Oct 2023 — Nov 2023	Web Development Intern, CodSoft	Rohtak

Created a Landing page, Portfolio, and calculator with the help of HTML, CSS, and JavaScript.

SKILLS

Teamwork	Critical thinking and problem solving
Adaptability	Communication Skills
Good Communication	

PROJECTS

Spotify CLone

I have made a Spotify clone with the help of HTML and CSS. By making this project, I came across all the work of CSS while developing a web page.

LANGUAGES

Java	CSS
C++	Javascript
HTML	

EXTRA-CURRICULAR ACTIVITIES

May 2022 — Mar 2023	Volunteer, Youth Red Cross Society	Rohtak

A YRC camp had been organized to serve a village Sunaria near Rohtak city for 7 days. During these seven days, I learned how to protect the environment and maintain it clean. Our volunteer did a cleanliness drive in the parks and aware the villagers about the value of GO Green to keep it clean.
